Our trip leaders will be launching our end of year residential. Come and meet Mr Rob, Mr Kamal and Mr Dunley and hear about the exciting trips your children can join!	This year we will be exploring and celebrating mythology in literature! Students will participate in peer, group and house activities all week which we hope will inspire a new love for mythological literature.	To celebrate the end of book week, we invite students to dress as a character for the day! We'd love students to choose a character from a book they've read and love to share!	Our annual Bazaar is fast approaching. Come and meet Ms Wendy to learn how parents and members of our community can get involved. We welcome fresh ideas and enthusiasm!	This year basketball Interhouse will challenge differently. Shooting skills will be highly tested with only 1 time shot per team member to score. 5 players per team with the most collective score points. Registration form on the PE noticeboard.
