Curriculum Information Evenings	Y6 Transition Coffee Morning	Additional Needs Coffee Morning	Primary Parent Forum
Parents and carers are invited to the school and into classrooms to hear presentations from teachers about the term ahead and will be provided with information about the curriculum for particular year groups, as well as key dates for Term 3. The sessions will be at 3:30pm and are held in classrooms.	Join us as we provide an overview of how student profiles are carefully handed over to the Secondary team, and how our Year 6 learners will experience 'dips' into Secondary life to support a smooth and confident transition. Parents will gain insight into the planning and support in place to help every child feel ready and excited for the next stage of their learning journey.	Find out how we support students with additional needs through inclusive practices tailored to individual learners. This session will highlight our approach to inclusion and feature expert input from our trusted partners at Kidsogenius, who provide specialist support and strategies to help every child thrive.	Primary Eaton families are invited to the Library at 9:00am to hear school updates from Ms Charlotte and share feedback with leadership. A questionnaire will be sent in advance, and all parents are encouraged to join. The meeting won't be recorded due to technical limitations, but a summary and Q&A will be shared afterward.
