			Year 6 Transition Coffee Morning		Multi-Sports Friendlies at Straits International	

Wonder Week	Coffee Mornings	PJ Day
During Wonder Week, Primary School classes will take part in special days themed around a different area of learning including Inquiry, STEM, the Arts, Oracy, and Reading. Children will take part in hands-on projects, performances, storytelling, and creative challenges, building key skills in presentation, problem solving, collaboration and critical thinking. On Friday, all children are invited to dress up in Book Day themed costumes!	<p><u>7th</u>: Find out about our approach to inclusion, including expert input from our trusted partners at Kidsogenius, who provide specialist support and strategies.</p> <p><u>14th</u>: Hear about our approach to developing emotional intelligence and resilience and how this impacts children's mental health and wellbeing. Parents will find out how they can encourage this at home and how these skills support learning.</p> <p><u>21st</u>: Parents are invited to hear our initial plans for the Summer Bazaar and are asked to share any ideas or volunteer.</p> <p><u>28th</u>: Year 6 families will hear Mr Russell introduce the Secondary school as we move towards Year 7. Department Heads will be present to answer any questions and showcase their subjects.</p>	Early Years and Key Stage One will explore the wonders of storytelling, with a day dedicated to Bedtime Stories. Children will explore stories and crafts about dreams and will take part in a group storytime at the end of the day, hearing stories from Ms Charlotte and other teachers.

If you have any questions regarding the Primary School, please contact Ms Charlotte at
