<p>The school has created opportunities for all year groups to take part in social activities, residentials and science focused trips to consolidate the learning taking place during science week.</p> <p>School will remain open for all students not taking part in a trip or residential.</p>	<p>Years 7 and 8 have been working throughout this term towards showcasing their Art & Design, Food Technology and Computer Science Collaborations.</p> <p>Through a variety of elimination rounds, the finalists will present their work to be judged live.</p>	<p>On Thursday 17th Term 3 will conclude with the celebration of student achievements throughout the term and year.</p> <p>We look forward to acknowledging both the attainment and effort of students as well as entertaining all with stunning performances for a range of students.</p>	<p>On July 18th, all teachers will be available to meet and discuss all students in school. This is the perfect opportunity to gain further feedback from the report and discover strategies for support in each subject.</p>	<p>The PA Department and Eaton students have been working tirelessly to bring the community and beyond an "Arabian Adventures". Get your tickets at the office to take part in the end of year spectacular.</p>
