Holidays (No School)	Parent Invited Event	School Event	Sports Fixture/Trip	Assessments
----------------------	----------------------	--------------	---------------------	-------------

Parent Information Evening	ECA and Tuition Begin	Malaysia Day	Coffee Mornings
<p>Parents and carers are invited to the school and into classrooms to meet the new teachers, as well as hear presentations about the new school year and, more specifically, the term ahead. Parents and carers will be provided with information about the curriculum for particular year groups, as well as key dates for Term 1. The sessions will be at 3:30pm and are held in classrooms.</p>	<p>Teachers will post their class lists of ECAs on Class Dojo before they are due to start. If you are unsure of your child's ECAs for the week, please check Class Dojo or get in touch with the office or your child's teacher.</p> <p>Parents will be contacted directly if their child is invited for tuition.</p>	<p>The school will be celebrating Malaysia Day by having a parade through the school during the school day. Lesson activities will also celebrate the national holiday.</p> <p>Pictures and videos of the parade will be shared on Class Dojo.</p>	<p>We're excited to kick off the term with three informative coffee mornings. In Week 1, TISA Academy will showcase their archery activities and answer any questions. In Week 2, join us for a warm welcome back from school leadership. Then in Week 4, we'll explore iPad use in Primary and how you can support digital learning at home. We look forward to seeing you there!</p>
