Report Day	Awards Assembly	School Trips	Parent Teacher Conferences	Year 6 Checkpoint Expectations	Football Match (Away) Eaton VS Straits
Report Day is when parents receive their child's academic report via email. The report provides an overview of progress, strengths, and areas for development across all subjects, giving families a clear picture of their child's learning this term.	The Awards Assembly is a special event where selected students will receive Commitment Awards in recognition of their hard work and perseverance. Parents of the award recipients will receive an invitation to attend. The assembly will also feature performances from the PA Department, showcasing the students' creativity and talents.	Our school trips are designed to bring learning to life! Each visit connects directly to classroom topics, helping students explore new ideas, develop curiosity, and make real-world connections, all while building confidence and teamwork.	Parent-Teacher Conferences provide an opportunity for parents to meet with their child's teacher one-to-one to discuss academic progress, classroom behaviour, strengths, and areas for further support. It is a valuable time to share insights, ask questions, and work together to support each child's learning journey.	The Year 6 Checkpoint Expectations Meetings will provide parents with an overview of what the Checkpoint exams involve, the standards students are expected to meet, and the fee structure for the assessments.	Our football athletes have been invited to Straits International School for a friendly match, giving them an opportunity to enhance their skills in a supportive and competitive environment.

If you have any questions regarding the Primary School, please contact Ms. Robynne Shamrock at
