Mock IGCSE Exam & official dates coffee morning	Football Match (Away) Eaton VS Straits	Secondary SRC (Winter Social)	Sports House Competitions	Y10 & 11 University of Nottingham Education Visit	Awards Assembly	Report Day	Parent Teacher Conferences
On Wednesday 3rd December at 9am in the library, we will host a coffee morning for Year 11 (and Y10 parents whose children will sit exams this year) to explore and ask questions about the IGCSE process and how our approach is supporting success.	Our football athletes have been invited to Straits International School for a friendly match, giving them an opportunity to enhance their skills in a supportive and competitive environment.	Secondary SRC have organised a Winter Social to allow all of secondary to come together to relax and enjoy an evening of fun. There will be food (pizza, chicken, pop corn chocolate fountain) and drinks as well as a photo booth, games and karaoke. Get your ticket from reception now for RM20.	To keep all students active, competing to support the top spot for Term 1 awards and build interest in our sports teams, students in each house will compete in a range of sports to top up their overall house points before the awards ceremony.	On Tuesday 9th December all of Y10 and Y11 will have the opportunity to visit their first education site of the year to help explore all the options available to them. Our goal is to make sure that all students are aware of the vast choices available and feel confident with the latest requirements for applications.	The Awards Assembly is a special event where selected students will receive Commitment Awards in recognition of their hard work and perseverance. Parents of the award recipients will receive an invitation to attend. The assembly will also feature performances from the PA Department, showcasing the students' creativity and talents.	Report Day is when parents receive their child's academic report via email. The report provides an overview of progress, strengths, and areas for development across all subjects, giving families a clear picture of their child's learning this term.	Parent-Teacher Conferences provide an opportunity for parents to meet with their child's teacher one-to-one to discuss academic progress, classroom behaviour, strengths, and areas for further support. It is a valuable time to share insights, ask questions, and work together to support each child's learning journey.

If you have any questions regarding the Secondary School, please contact Mr. Russell Smith at
