Coffee Morning (9:00am-9:40am, Upper Library)	Parent Information Evening (3:30pm, Primary Classrooms)	International Day	ECA and Tuition Start	Hari Raya Celebration	Wonder Week	Kangaroo Math
<p>Hosted by Robynne: 8/4 - Parents are invited to hear answers to ongoing questions, as well as raise any concerns</p> <p>29/4 -This session will explore practical strategies for guiding children's behaviour in a positive and supportive way. Parents will learn how consistent expectations, clear boundaries, and calm communication can help children develop responsibility, self-regulation, and respect for others. The session will also highlight how home and school can work together to support children in making positive choices.</p>	<p>Parents and carers are invited to the school and into classrooms to meet the teachers, as well as hear presentations about the term ahead. Parents and carers will be provided with information about the curriculum for particular year groups, as well as key dates for Term2. The sessions will be at 3:30pm and are held in classrooms.</p>	<p>International Day is a vibrant celebration of the diverse cultures within our school community. Each class represents a different country or culture, creating engaging stalls filled with information, traditional elements, and interactive activities. Students have the opportunity to explore the world through hands-on experiences, broaden their cultural understanding, and celebrate global diversity in a fun, meaningful way.</p>	<p>Teachers will post their class lists of ECAs on Class Dojo before they are due to start. If you are unsure of your child's ECAs for the week, please check Class Dojo or get in touch with your child's teacher. Parents will be contacted directly if their child is invited for tuition.</p>	<p>Our Hari Raya celebration is an opportunity for students to learn about and appreciate the cultural traditions and significance of this important festival.</p> <p>Through special activities, sharing of traditions, and festive experiences, students will gain a deeper understanding of the values of community, gratitude, and togetherness that Hari Raya represents. It is a wonderful time for our school community to celebrate diversity and learn from one another.</p>	<p>Wonder Week is a special week of learning where curiosity, creativity, and exploration take centre stage. Through a variety of exciting activities, challenges, and cross-curricular experiences, students will investigate how small ideas and actions can lead to big impacts in the world around them. From science experiments and creative projects to storytelling and problem-solving, Wonder Week encourages students to think deeply, work collaboratively, and discover new ways of learning while having fun.</p>	<p>The Kangaroo Math Competition is an international mathematics contest that encourages students to develop logical thinking and problem-solving skills. Through engaging and challenging questions, students are given the opportunity to explore mathematics in a fun and stimulating way while building confidence in their mathematical abilities.</p>
