<b>Coffee Morning (9:00am-9:40am, Upper Library)</b>	<b>School trips</b>	<b>International Day</b>	<b>Interhouse sports</b>	<b>Awards (Multipurpose hall) 09:30-10:30am Report Day Parent Teacher Conferences (PTC)</b>
Hosted by Robynne and Lara: Join us for an informative and supportive session where we will explore the early signs of learning difficulties in young children and how these can present in the classroom. We will discuss what to look out for, the difference between developmental variation and areas of concern, and the proactive steps our school takes to support every child's learning and wellbeing. This session aims to provide reassurance, clarity, and practical insight into how we work together with families to help children thrive.	Our school trips are carefully planned to enrich learning beyond the classroom. Each visit is linked to our current theme or curriculum focus, allowing students to see their learning brought to life in a real-world context. While the trips are educational and purposeful, we also ensure there is time for students to explore, enjoy the experience, and create positive memories with their peers. Learning and fun go hand in hand.	International Day is a vibrant celebration of the diverse cultures within our school community. Each class represents a different country or culture, creating engaging stalls filled with information, traditional elements, and interactive activities. Students have the opportunity to explore the world through hands-on experiences, broaden their cultural understanding, and celebrate global diversity in a fun, meaningful way.	Interhouse Sports is an exciting event that brings our school community together through teamwork, resilience, and healthy competition. Students compete in their house teams across a range of athletic and team-based activities, developing sportsmanship, perseverance, and house spirit. The day promotes physical wellbeing while giving students the opportunity to challenge themselves, support one another, and celebrate collective achievement.	The Awards Assembly is a special event recognising selected students with Commitment Awards for their hard work and perseverance. Parents of award recipients will be invited to attend, and the assembly will include performances from the PA Department showcasing students' talents.  Report day: Parents receive reports via email  PTC: Parent-Teacher Conferences offer a 10-minute one-to-one meeting to discuss your child's progress, strengths, behaviour, and next steps. It's a valuable opportunity to share insights and work together to support your child's learning. Please sign up via the link shared by the class teacher.
