Coffee Morning: Year 6 Checkpoint Upper Library at 09:00	Coffee Morning: EAL Learning Village Upper Library at 09:00	Halloween 18:00 - 21:00	Football Match against Nexus - AWAY
Our initial Checkpoint meeting will give parents an overview of how the year is structured to support students in preparing for the Cambridge Checkpoint assessments. We will explain the key stages of preparation, how learning and assessment are built into the year, and the support students will receive to help them develop confidence and achieve their best.	Join us for an interactive parent workshop on Learning Village, where we will explore how the platform supports EAL learners with vocabulary, reading, grammar and language development. Parents will have the opportunity to see how Learning Village is used in school, try some of the activities themselves and learn how they can support their child's English development at home.	Join us for a Night at the Museum Halloween Celebration, where the exhibits come to life for an evening of family fun! Enjoy themed games, exciting activities, costumes, spooky surprises and plenty of opportunities for the whole family to get involved. Food and refreshments will also be available throughout the evening. Come dressed for the occasion and get ready for a Halloween night full of fun, laughter and museum-inspired adventure.	Selected students will be participating in an upcoming sporting event at Nexus International School, Putrajaya, on Wednesday, 28 October 2026, from 3:30pm to 4:50pm. School transportation will be provided for the selected students and PE teachers travelling to and from the venue. Selected students will be notified of the arrangements, including transportation details, prior to the event. We wish all our students the best and look forward to seeing them represent the school.

If you have any questions regarding the Primary School, please contact Ms. Robynne Woolfe at
