School starts	Information evening: Homeroom classrooms at 15:30	Coffee morning: Meet the team Upper Library at 09:00	ECA's start	Coffee Morning: Year 6 Checkpoint Upper Library at 09:00	Harvest & Heritage celebration
A warm welcome to the new school year! We are excited to welcome our students and families back for another year of learning, growth and memorable experiences. We look forward to working together, building strong relationships and creating a positive, supportive environment where every child can thrive. Here's to a fantastic year ahead!	Join us for our Primary Information Evening, where parents will have the opportunity to meet their child's teacher, learn more about our day-to-day routines and expectations, and gain an overview of the learning planned for Term 1.	Meet our Primary Team and discover our vision for 2026/27. This year, we are focused on creating a consistent, inclusive and inspiring learning environment where every child feels known, supported and challenged to achieve their best. We look forward to working closely with our families as we continue to strengthen teaching, learning, wellbeing and the wider Primary experience.	Our Extra-Curricular Activities (ECAs) begin this week, giving students the opportunity to explore new interests, develop skills and enjoy learning beyond the classroom. We look forward to seeing students take part in a wide range of activities and make the most of everything on offer.	Our initial Checkpoint meeting will give parents an overview of how the year is structured to support students in preparing for the Cambridge Checkpoint assessments. We will explain the key stages of preparation, how learning and assessment are built into the year, and the support students will receive to help them develop confidence and achieve their best.	We look forward to celebrating Malaysia Day alongside Chuseok, Tsukimi and the Mid-Autumn Festival. Through these celebrations, students will explore the unique traditions, stories and cultural significance of each occasion, while also recognising the themes of community, gratitude, heritage and togetherness that connect them.
