7th Coffee Morning - Phonics: A Live Lessons Demo	8th EAL Competition Launch	11-15th Anti-bullying Week	13th World Kindness Day	20th Children's Day (Early Years / Kindie)	20th November Visit from a Dentist	26-28th House Competition: Jenga
Join Mr Ryan for a short presentation around phonics being the key to reading. 9:00am - 9:15am Then we will head to Year 1 to watch a live demonstration of phonics being delivered by Ms Robyn. 9:15 - 9:35	A special competition will be launched exclusively for children taking EAL class.	During this week, children will hear stories about respect and kindness and consider our actions to each other. We will discuss what to do if people don't show these values, either in person or online.	Linking perfectly with anti-bullying week, we will dedicate this day to our school value of 'Kindness'.	A day to make learning a joyful experience for children. Children can wear Disney costumes or blue.	We will welcome a local dentist into school to give a talk to children and teachers about healthy teeth.	Our second house team competition of the year! Children can choose to take part in a Jenga competition during their lunch times against the other houses and win house points.
