Coffee Morning Assessments

We would like to invite our community into school to understand our assessment process and what to expect in the upcoming assessment week.

9:00am @ Reception Office

Coffee Morning - Puberty

We would like to have an open conversation with parents about puberty and the impacts to their social wellbeing and academics.

The session is based on both international research and in school experiences. We will explore what to expect and how we as a school will support this with a Malaysian focus.

9:00am @ Reception Office

Assessment Week

All Students in years 1 - 7 will take part in assessments throughout this week.
The assessments are all focused on the Cambridge International Education Units taught and follow the CIE exam structure.

The assessment results will be added to the school report along with the summative grade for this term in each subject.

Deepavali

We look forward to celebrating **Deepavali**, the Festival of Lights, with our school community. This special occasion reminds us of the importance of light overcoming darkness and good triumphing over evil. Students will take part in activities that highlight the beauty, traditions, and joy of this festival.

If you have any questions regarding the school, please contact Mr. Russell Smith at
