Year 10 and 11 students will visit Nottingham University to gain experience of Engineering Courses at University Level.	Selected students will be participation in workshops hosted by Monash University.	We're all in this together- Come and be wowed by our talented performers. Tickets available at the office.	There are 3 exciting residentials taking place during the final week of term. School will be open for students not attending a trip.	Come and meet your child's teachers for feedback and reflection on their studies this year.
